Ken Griffin and his mayo jar are so fucked.

I went to Gamestop yesterday to trade in the Xbox Series S I just bought a few months ago from Gamestop along with a bunch of games I had lying around. I walked out of there with enough cash to buy 3 more shares. They're will be DRS'd as soon as the trade settles.

Not only am I buying more GME, but I'm doing business with Gamestop which helps the bottom line. I loved that Xbox, but a small sacrifice now will be worth it in the end because after we moon I'll be going back to Gamestop to buy an Xbox for every TV in the house(s).

Ken Griffin is a criminal and a financial terrorist. BUY HODL DRS VOTE
