at a cheap price 💰

Buy and hold is all I know

Didn't you sell when you were profitable before? Always hold, what is the meaning of this? I'm curious

I don't have a sell button. It's broke

Maybe you buy and sell stocks using an alien securities firm

And nonexistent. I will continue to buy both AMC and GME. Even when they reach 10,000 50,000 1million per share. Fractional shares BABY!!! I love the stocks and so do 5 million other people. Tell your bosses they've lost. Apes have won. Guess what? I'll continue to hold and pass these shares on to my children if that's what it takes. I'll specify in my will for them to pass it on to their children. This is personal and
