I'm officially a big dumb ape ■■■... Didn't DRS my GameStop shares ■... Messaged TD about "stock split or stock split dividend?" I have a screenshot of the message and don't know how to post text and pic; but it went: this is a stock split, if you hold 20 shares you get 40 shares? To my understanding this is wrong. To my fellow apes: how do I go about correcting this? Will DRS-ing my shares benefit or is it too late? Please and thanks in advance to all my beautiful dumb apes in advance.
