As you know DRS is our ONLY weapon against the Financial Terrorists, we have for remove the shares from DTCC in order to reduce the SHF amo to do there fuckery.

As always :

Holy Mary, Jesus Christ, DRS is the way. Continue to transfer, every share count. The float have to be locked up, 100% DRS, no more shity broker and see you to the moon. If we want to change the system, we have to be the change.

With love
