Yes i DRS'd most of my shares xxx not. Just one. Not because i am lazy, or whatever. Blame me or fk me both.

I worked hard to put all the earnings in GME (Jan 21) .

It is a personally problem, like i do not want to sell ( i have to sell on Etoro to DRS in Computershare) at 130 and rebuy at 95. In other words, i wanna win one time.

Also still waiting for first CS letter since 2 months.

Only share that i DRS'd was from GiveaShare in girlfriend name.

Need advices!
