Url: https://www.reddit.com/r/GME/comments/u4951i/is_this_a_legit_computershare_email_or_a_phisher/

(Don't worry I never click on the link in an email request I go to the website)

Just wondering if this is a legit email or not. I got it at 5 am and at about the same time got 2 alerts on unknown device attempting to log into my email addresses.

Computershare Web Service

" Your GameStop Corp. Statement is now available online. Just log in . . . "

Thanks apes
