

Title: We've been seeing all these new uses for NFT's being posted by Gamestop. It got me thinking about HOW HUGE this is going to be. I can see why DFV said "What's an Exit Strategy?". In just 5 minutes, I assembled a starting list of Possible Uses of NFT's and Layer2 Blockchain. Add your ideas below!

# Possible NFT and Layer 2 Blockchain Use List:

In Game Digital Purchases

Designer Clothing and Shoes Provenance/Fraud Protection

Designer Watches and Jewelry Provenance/Authentication/ Fraud Protection

Video Games

Movies

Music

Books

Sports Cards (i.e. baseball cards, Hockey Cards, Pokemon Cards, Magic: The Gathering, etc.)

STOCK TRADES

"Credit Card style" purchases

Digital Art (Mpegs, Jpegs, Memes)

Family Heirlooms like photo albums, home movies, and family diaries.

Ancestry dot com style genealogy records and searches.

Medical and Medicare Billing - eliminate billions in fraud annually.

Home and Auto title searches

Public Records of All Sorts - (i.e. Gov. data available without the hoops to jump through for FOIA)

International Passports and I.D.

Automotive Dealership Extended Warranties, Repair Records, auto accident records VIN Searches

Firearms - serial number tracking and proof of ownership if stolen.

Sales records and receipts for return of items (Proof of Purchase)

Social Media Accounts - Facebook style NFT that YOU OWN AND CONTROL all the content

That's what I came up with in a few minutes, and I know I am just scratching the surface. I believe GAMESTOP is going to have the largest market cap in the world, even AFTER The Mother Of All Squeezies.

BUCKLE UP. YOU ARE ON A ROCKET TO THE FUTURE.

BUY - HOLD - DRS - REPEAT.
