I'm one of the apes heading to the moon. They took my dad's pension in 08, he died in his sleep shortly after. It tore him apart. He didn't smoke, drink and wasn't obese. I know for a fact they killed my dad. He has something to do with me being in this play. It's personal to me. I'm willing to lose my initial investment to bury them for killing my dad. Rest In Peace. My old man never wronged anyone in his life and always helped people. This one's for my pops!
