GameStop Corp NYSE:GME shares are trading higher Wednesday ahead of the company's four-for-one stock split.

GameStop's board approved a four-for-one split in the form of a stock dividend at the beginning of July. GameStop shareholders of record at the close of business on July 18 will receive a dividend of three additional shares for each then-held share. The stock dividend will be distributed after the market closes on Thursday.

GameStop was also among the most mentioned stocks on r/wallstreetbets over the last 24 hours.
