I remembered as a kid, I used to get GameInformer from Gamestop. A monthly magazine. I go to check the website. They rebranded it to "PowerUp Rewards" it seems, and GameInformer is included in it (\$15 a year Digital GameInformer) or (\$20 a year Physical magazine delivered to your door monthly). Not to mention you get \$5 a month (\$60 a year) in Gamestop credit. So you pay \$20 for a year subscription, then get \$60 back in store credit, 12 GameInformer magazines, and other website perks, like extra store points upon purchasing an item. With tax, it's \$22.06 for a year, so \$1.83 a month. I don't get why everyone doesn't have this...
