Planned Stock Split: Alphabet Inc. (GOOG and GOOGL) will be forward splitting their stock on July 18, 2022, at a rate of 20:1. The forward stock split will increase the total number of outstanding GOOG and GOOGL shares and reduces the share price by the same multiple. As a result, while eligible shareholders with shares at the time of the split will receive more shares, the total dollar value and cost basis of their positions will not change.
