A screenshot of a mobile application interface showing an order confirmation for GameStop Corporation (GME). The screen has a dark background with white text. At the top, the status bar shows the time 9:47 and signal/battery icons. The app header includes a close button (X) and the title 'Order'. The main content area displays the order details: 'Buy 7 Shares Limit at \$111.00', the stock symbol 'GME', and the full name 'GAMESTOP CORPORATION COM USD0.001 CLASS A'. Below this is a table with 12 rows of order details, each with a label on the left and a value on the right. The table is separated by thin white lines. At the bottom, there is a white horizontal bar, likely a home indicator for an iPhone.
