****■■■**** since late in 2020 and slowly adding to my position! Tomorrow it will be 66,000 shares of GME! I admit, it took the announcement of the share split to get me off by butt to DRS but it feels great to have that done now.

I have not idea what will happen post split but that does not matter to me, I am in it to win it and looking forward to being able to say that I worked with my fellow apes to unwind the rampant fraud in our current financial markets.

Not financial advice, I just like the Stonk!

Sorry forgot to attach this to the initial post.
