I have an account in CS alongside one GME share in it. I am from Europe so it takes 4 days for shares to get DRS'ed from IBKR.

Today 3 more shares arrived to my CS from IBKR but it asks me for a new W-8BEN, meaning that there's a new account. What do?

EDIT: After checking, CS has added my old mailing address as a new account and that's the one where it asks for Tax shit (W-8BEN). Can I remove it?
