God, I sure hope so! The term "Bag holder" traditionally has a negative connotation. In the case of GME, it's just the opposite. After The Squeeze, after the split and after the financial criminals have been locked away, paper handed holders of GME will eventually be weeded out leaving an elite group of very lucky "B.A.G holders". These "B.A.G.S" will be filled with valuable shares of a Goliath company on the forefront of revolutionary changes in gaming, retail and the world financial structure as we know it. I for one plan on holding my B.A.G.S for generations!

B.A.G.S =

Beneficiary Appointed Gamestop Shares

Will DRS shareholders eventually become BAG holders? I'm counting on it!

I am a proud GME B.A.G.S holder!

Whose holding B.A.G.\$ with me?
