I've been looking and reading about all of the hype for the announcement.

- 1) I've seen people say that it has happened with the updating of the nft creator form.
- 2) That today was the last day for the announcement (so sad :()

I don't believe in either. This is where the tin foil comes in.

In Ryan's pod (metaverse) you see the books in the bookcase. One says Pfp's 102.

I'd like to believe that it's going to be an announcement on January 2nd (Sunday). Which depending on how you count would be the 11th a Tuesday!!!!

If I'm wrong oh well ■ there is always tomorrow until it's not.

To the moon let me know what y'all apes think ■

GME to the metaverse and beyond
