WE THE INVESTORS

WE THE INVESTORS SEC LETTER #01: PAYMENT FOR ORDER FLOW (PFOF)

49954 have signed. Let's get to 50000!

Dear Chairman Gensler,

In the last 18 months alone, 25 million new investors joined the stock market, and at their peak, retail investors made up more than 25% of the U.S. stock market. But as more people earnestly participate in the markets than ever before, the opacity and complexity of markets has left them concerned that: markets are not adequately providing price discovery; that too much power is concentrated in too few firms; and
