[Anti-Work FOMO Party]([https://youtu.be/7dZpH\\_SzXBk](https://youtu.be/7dZpH_SzXBk))

Too much chaos and FUD this past week so I thought I'd make a fun short story about why we got into this trade, the FOMO!■ This is a once in a lifetime event and none of us want to miss out. Everyone of us is dreaming of that last day of work and that first day of our new lives.■ So I think a bit of the Anti-Work sentiment flows through here as well so I thought I'd make something that might communicate that to that group and those unaware of the situation of GME, maybe get a bit of real FOMO on our side rather than the FOMO being manipulated by Citadel.■ Like usual, most of the art/music is from me along with others. And I hope this cheers everyone up after a stressful week. Enjoy!■■
