Is_self: True

I've had to change my discord account three different times—either because someone keeps fucking with me or I am way more retarded than I think I am—which is entirely possible.

So, in the event that anyone wants to share information or just keep up with everything and stay connected because Reddit falls apart and Twitter sucks in general, here is my new Discord user ID:

iamnotallama#6801

I am also currently in the process of housing and explaining in non-ape speak all of the pertinent information that I have documented here on another anonymous server so that I can do my best to text what has gone down in this whole saga.

Go polish those rockets, friends. Power to the players. Can't stop. Won't stop. You know the rest...
