“Greatness does not come on flowery beds of ease to any people. We must fight to win the prize. No people to whom liberty is given, can hold it as firmly and wear it as grandly as those who wrench liberty from the iron hand of the tyrant.”

As we come up on a year of holding for the majority of us, we must remember that there is a reason this hasn't been easy. We are wrenching the wealth from those of the 1%. We will prevail.
