[\\a broker or other nominee is generally empowered to vote in the absence of voting instructions from the beneficial owner\\"](<https://preview.redd.it/wpwkjx9109091.png?width=605&format;=png&auto;=webp&s;=c07a8fa2d59e4aabe319032c46c6414918f372f1>)

Proposals have different conditions !

As you can see in yellow, this is true for the proposal to increase authorized shares ! Same for the appointment of the accounting firm.

# Not voting is giving your right to vote to your broker !!

Proof that brokers use this right to vote when they can : last year for the appointment of the accounting firm we had 0 Broker Non-Votes !! But for other proposals there was 7M Broker Non-Votes ! Look Below - [2021 vote Link](<https://investor.gamestop.com/node/18956/html>)

[Same for all previous votes ! I looked back until 2013 !!](<https://preview.redd.it/jt47pocn09091.png?width=605&format;=png&auto;=webp&s;=b6dfc0cc619e00dc0351c28de1d88592e995036a>)

You can say brokers always voted "FOR" the accounting firm, but will they really vote "FOR" the increase in authorized shares ? You need to be crazy to take that risk !

Don't take any risk, don't let them vote with your shares !

If you are in a broker who don't allow voting, don't push them to do a "Broker Non-Vote" as it is counted as "against" the proposal to increase shares. \*\*Accept only "FOR"\*\*.

\*\*Vote every fucking shares you have when you can ! DON'T BE LAZY !\*\*

You think all apes have already voted ? WRONG look at these comments from last sunday :

[Look how helpful it is to hype vote ! If there is one, there are more, many more.](<https://preview.redd.it/ztv1lnydz8091.png?width=1002&format;=png&auto;=webp&s;=8b0b15ff2f5224a1edac30c6e1d9dc97cd1d79f3>)

We need every share ! We need YOUR share ! We need to drown brokers with "FOR" !

Don't forget we have a voting [MEGATHREAD](<https://www.reddit.com/r/Superstonk/comments/ue6jm0/co>)

computershare\_voting\_megathreads/), go ask questions there if you have some !

You didn't vote yet ? What are you waiting ? GameStop specifically indicated they want YOU to vote AS SOON as possible before the annual meeting ! There is a reason !

Didn't receive voting emails from your broker ? Go look again. Help you by using search bar with "vote" "gamestop" "broker's name". Try to connect to your account too !

Don't find emails ? SEND ONE to your broker ! It's not normal. Maybe they try to hide it.

Don't forget other accounts, don't forget IRA accounts !

DEGIRO ? You need to request them to vote by email, it cost 10€.

eToro ? Now you can vote too !

T212 ? You can't vote for now

Computershare ? If you have multiple accounts you need to vote multiple times !
