Robinhood 

Hi Raymond,

I appreciate you reaching out to us yesterday, and it was a pleasure talking with you.

I am just writing to let you know I will need a little more time to research your situation with the margin balance/acat transfer.

I did discover that the \$475 was due to unsettled GME trades.

I want to keep investigating to see what will happen next in terms of the transfer rejection and whether or not the balance will be sent back or how it will be treated. I want to stay on top of it to make sure that you don't get charged for an unsettled trade or anything like that.

In the meantime, however, you can reply to this message and we will have a direct line of communication if you have any other questions or issues in the meantime.

Sincerely,  
Jennifer
