

Title: Now that Melvin Capital is to close, does that mean their stock is yet to be liquidated and their creditors paid? Is this what we've been told to wait for, if they have GME shorts they need to cover and they run out of liquidity, will the DTCC purchase these shorts?

You kind of have to be patient with me (I guess you don't have to be anything with me) as I am remarkably slow to pick things up and quite often I'm not picking things up correctly at all.

Apparently I need to mention Ryan Cohen and GME in here somewhere.
