So I'm one that is sitting here patiently waiting and holding. It's simple really.

But gawd damn gme.... Finally got me.

See I'm a doubles guy. Always have been.

My wife and kids bday all on doubles

My street address is a double

I got married on double DOUBLES

My wife and I. Middle ssn numbers both the SAME DOUBLE

this year I turn Forty four - double

I checked the closing info on GME today on TD and I saw

A price of 86.86

^ \$4.22

^ %5.11

It more than likely absolutely means nothing. But... maybe.

Buy. Hodl. DRS

Cheers all. Sleep well and may your loved ones be safe!
