I been around since early January. I can honestly say I've seen at least 100 hype dates. DTTC rules so many of those, Government hearings with DFV, GME earning reports, and the list goes on.

Guess what I'm ready for another 100 hype dates in 2022, so if SHILLS think hype date will eventually get to us not me.

Lastly my opinion is MOASS will happen out of nowhere, possibly without even a hype date.
