Title: My post for activating Gamestop wallets was removed from Superstonk and if I try to post it shows

that they are only visible by the mods now

Wth is up with superstonk. I had a post where I was activating gamestop wallets and the post was removed and all my post have been shadowbanned. Superstonk forum is under attack by mods trying to prevent DRS and wallet activations.

GAMESTOP power to the players! GAMESTOP power to the players!
