ASIA MARKETS

South Korea drops more than 2%; China keeps benchmark lending rate unchanged

PUBLISHED SUN, JUN 19 2022 7:40 PM EDT UPDATED 2 HOURS AGO

KEY POINTS

- Shares in Asia-Pacific were mixed in Monday trade.
- China's one-year and five-year loan prime rates were both left unchanged on Monday.
- Netease shares in Hong Kong skidded 7.68% after the firm announced an indefinite delay to the China release of eagerly anticipated video game Diablo Immortal, just days before it was expected to launch officially.
