Hey gang,

I'm finishing up everything with DRSing my shares and am just waiting for the second snail mail to come in. Heard down the grapevine that for a fee I could get the account confirmation emailed for a small fee rather than wait the X amount of weeks for it to get here. Can anyone confirm if this is true? I'm on week 2 of waiting and getting antsy. Rather have everything ready to go just in case something happens for the next report. Thanks in advance apes
