I know, another chat story, but the short story is I contacted Fudelity as my ACAT transfer from Sofi to Fudelity was rejected. Fudelity advised that Sofi marked my position as "short". So I contacted Sofi, and they advised they need to follow-up with Apex about what is happening.

Long story short, it's confirmed that Sofi split my GME shares without actually having any of them and now i'm in a fight to get my post-dividend shares over to CS with the rest of my shares.
