## A hedge fund billionaire who owns everything now wants to buy a Pennsylvania senator

Ken Griffin speaks at the 2016 SALT Conference in Las Vegas. MUST CREDIT: Bloomberg photo by David Paul Morris. David Paul Morris

How filthy rich is Chicago hedge fund trader Ken Griffin? Well, for starters, the man recently bought the U.S. Constitution! To be clear, the 53-year-old billionaire actually owns a copy of the foundational American document framed here in Philadelphia in 1787, one of only 13 originals from that year.

Griffin said he was minding his own business X
