Title: This was the response from iwebsharedealing to my query as to whether they treated GME's

splividend as a dividend. What is my next move?

Thank you for your e-mail.

I can confirm the Gamestop share split is not a stock dividend. This is a stock dividend that is processed by the way of a stock split.

This is shown as a stock split in Intesa (our Foreign Custodian)

Kind Regards

Helen McCusker Stockbroking
