Do your own Due Diligence with this easy to understand comparison cheat-sheet of (Brokers vs. Transfer Agents) detailing the core differences between company types.

Key Differences	Centralized/Custodial	De-centrilized.Non-c
ney continues	BROKER DEALERS, BANKS & TRADING PLATFORMS	TRANSFER AGENT
Your Name & Allotment of Shares in Book Entry Form on The Companies Official Shareholder Register.	×	1
Recognized as The Direct Legal Owner of The Shares	x	1
Ordinary Dividends (Only receivable if you you are recognized as the legal owner, or potentially - a beneficiary shareholder where shares are not on toan [At custodians discretion]) Side note: See pinned post "Cash in Lieu of Dividends" for further clarification	x ¯_(ツ)_/ ✓	V
Cash in Lieu of Dividends (Dividends paid as cash equivalent). Side note: Payments in lieu can represent a costly tax problem with tax rates rising as high as 39.6% as apposed to maximum rates of 0% to 20% depending on your regular tax bracket for ordinary dividends.	1	x
Buy Button Restrictions - PCO (Position Close Only) (During Jan 2021 Robinhood and a slew of other brokers prevented investors from buying while still allowing traders to close their trades which resulted in 100% selling pressure that caused the share price of \$483 intraday to plummet to under \$40 in a number of days)	1	x
Mobile/Web Trading Management Apps	V	V
CFD (Contract for a difference). (Allow investors to trade the direction of securities over the very short-term without owning the underlying asset).	V	x
Votes Registered with Company or Prexy Handler (FYI naked votes are not counted and will not be accepted by the company or proxy handler)	×	×
Cheaper Capital Gains Tax Rates on Dividends (Shares on Joan can lead to a tax problem when the dividends you receive are technically taken away from you. The short sellers will reimburse your broker and then gets passed on to retail investors as something known as a payment in lieu of dividends. Your dividends won't meet the qualified dividend requirements for tax purposes, increasing your taxes on loaned shares.	×	1
Receive Shareholder Communications Directly from Company that you have Invested in	×	V
Custedy Bisks (At the custodian level the two key risks are the risk of the custodian becoming insolvent and the risk of less through custodian error or poor performance)	Yes	No
Capital at Risk of Loss (As a result of Broker or Transfer Agent bankruptcy)	Yes	No
SIPC Insurance (Securities Investor Protection Corporation) (Securities Cover \$500k, Cash cover \$250k) Side Note: Securities that have been lent out are not covered by the \$300k SIPC securities cover, but the cash collateral received for securities is "typically" protected by the SIPC for up to \$250k.	Included	N/A (Due to unde ownership of shi
Does Company Have to Own/Hold The Underlying Asset You Purchase?	No	Yes
