Important - Please Read:

- REVIEW your order below for accuracy especially spelling and addresses. Call or reply to this email with any corrections.
- SHIPPING We highly recommend UPS due to tracking, insurance, and ease of claims process otherwise you assume risks. Make sure you are comfortable with your selection (See more details).
- INTERNATIONAL (Non U.S.) orders Price does NOT include customs fees and taxes that may apply and are payable upon delivery. The customs value we provide for shipment is less than your full price because it represents only the physical part of your order. In the unlikely event you are asked to provide an invoice for customs, log into our site and print a lower cost invoice.
- TIMING The timing below is for stocks on our standard list. Registration for custom stocks or new IPOs may take a few weeks longer.
