Earlier today, we began a restructuring process aimed at strengthening Voyager Digital's financial position. To accomplish this goal, the company and its main operating subsidiaries voluntarily filed for Chapter 11 protection.

Given the confidence you placed in Voyager when you joined the platform, we know this may be disconcerting news. To that end, we want you to know that we made these decisions specifically to protect and maximize the value of the assets on the platform for all stakeholders, including you, our customers, who remain our focus.

To be clear: This does NOT mean Voyager is going out of business. The restructuring process is intended to help companies stay in business, which is exactly what we intend to do. Being able to continue operations is a key benefit of a restructuring, a well-established legal process through which companies reorganize their financial obligations. In the meantime, we are continuing discussions with various parties regarding the company's go-
