THE KEY TO LOCKING FLOAT:

There are are SO many GME holders outside of Reddit than there are on Reddit that have no clue what DRS is. The word about **DRS** needs to be spread to the masses **outside of Reddit**. If every ape would just try to reach 1 other person outside of Reddit each day, the float would be locked in no time! Twitter, FB, real life, etc. **If we could get DRS trending on Twitter, that alone could drastically speed up the rate of DRS.**

One of my Twitter scripts: https://twitter.com/millertime1216a/status/1495553243014905856?s=21

#Changing the world is what's at stake!!

BE the change!!

#Lock the float!!

Edit: To all the DRS supporters, don't let the downvoters deter you. They only serve to motivate me twice as hard. It's confirmation you are on the right track!
