I've seen a few posts (like this one [https://www.reddit.com/r/Superstonk/comments/sweah8/i_did_the_a wful_job_of_trawling_the_motley_fool/](https://www.reddit.com/r/Superstonk/comments/sweah8/i_did_ the_awful_job_of_trawling_the_motley_fool/)) investigating GME MSM articles being changed. I like the idea of seeing what they were, and what they are today.

For those that think specific articles have been changed, you should be able to see the dates they were changed, and a version of the original article using Way Back Machine:

Enjoy & let us know what you find!
