This is part of a job requirement listing for DISH TV...

FUCKING HILARIOUS!

"Candidates must be able to successfully meet the internet requirements (internet can not be satellite)"
YOU ARE FUCKING SELLING SATELLITE FUCKING SERVICES!

So the product you are selling is so fucking piss poor that you won't even allow your own employees to use it to interact with customers? I think I just pissed myself!

You can't make this shit up.

I hodl and drs gme so I can laugh at the shear stupidity of these people.
